

# ***Rockley Cruising Club 2011 Bar -B -Q***

***A BIG thank you to Davis's Boat Yard for supplying the Bar-B-Q , food, drink, the venue. & being great hosts.***

***New Members, friends, and their boats.***

***With another British summer giving us the usual run around, most of the best laid plans went out of the window. Every time we had a RCC sailing event mother nature dealt bad weather. Indeed it rained the morning of the Bar-B-Q .***

***As Saturday progressed so the weather improved. About forty to fifty people turned up. For many it was the first RCC event, and their first Bar-B-Q at Davis's Boat Yard.***

***We even got the space station crossing over head, followed by the firework display at Bournemouth in the distance.***

***Welcome to our three new members boats, and their crew (see above).***

***All change at Davis's for 2012 with the pontoons being replaced, the area dredged, and new electrics for every boat, Davis's will be right up to date.***

***Some of the Davis's family.  
Left, Lorraine.  
Above, Barry.  
Right, Sonjia***
