Food beautifully prepared and perfectly cooked.

A big thank you to everyone at Redclyffe for a great night. Fourteen Rockley members came along, it would have been eighteen, but tickets had sold out. Two Rockley boats made it up to Redclyffe. Both were given an along side berth, so having a drink or two was not a problem. Unfortunately “Moondance” got mud stuck up its sail drive, and on the way home had to stop, get a dinghy pump out and blow the inlet pipe clear. This meant that they could not join up with “WindRush”, “Foxy Lady” & “Corky” off Pottery Pier for lunch.
