

***If You Don't Succeed Try Again,  
Or, Every Cloud Has A Silver Lining!  
Rockley Cruising Club. Celebrates it 40th Anniversary this year.***

*A walk along the shore line, over looking the trots, where the original Rockley Cruising Club members had kept their boats. Followed by an evening celebratory meal at the Lake Yard restaurant, was the original plan, for Saturday April 14. Due to booking difficulties this plan was shelved but, this meant that we could have a Boat Jumble stand at Cobbs Quay. Oh joy! On the Monday I get a phone call the Boat Jumble has been cancelled. OK, plan C lets ask if we can sell our "Boaty Bits" at Davis's Boat Yard. This too was a no go. So plan D, lets just meet up for a meal, somewhere, anywhere!*

*Saturday morning was very foggy but, by 12.00 hrs it was looking good in Holes Bay. In the Harbour though it was a different story, with "Fog Routine" in place. Lots of boats leaving Holes Bay but, soon coming back. Once again Poole Bridges were back to "Broken". Even after a 12 month refit that took 18 months! The Old Town Bridge still does not work properly. Lets hope that all is good for May and, the rest of the year.*

*The Restaurant at Cobbs Quay, managed to fit fourteen of us in, this soon went to sixteen then nineteen RCC members. All in the space of 48 hours. Thanks to Alison and Clive for the initial booking and getting the menu choices to the restaurant. Service was a bit chaotic but, all went well in the end. Plus I had a 5% discount card which, they allowed us to use on the whole bill, result!*

*Members attending the Meal.*
